TO THE COMMISSIONER FOR PATENTS

STATUS REQUEST

Dear Sir:

This is to request the status of the above-captioned application. A Response and Amendment, Reissue Declaration, Petition for Extension of Time, Declaration of John D Macfadyen, Resume of John D. Macfadyen and a Phoenix Process Engineering brochure were filed on June 19, 2007, in response to the Office Action of January 10, 2007. According to USPTO PAIR, a Notice of Informal or Non-Responsive Amendment was mailed on June 22, 2007. However, the undersigned attorney's representatives have not received such Notice and it was not accessible through PAIR. In a phone call on November 19, 2007, with Examiner Jiping Lu, Examiner Lu stated she "sent no such action" and would investigate and call the undersigned back.

On February 7, 2008, the undersigned received a call from USPTO personnel regarding whether or not applicant intended to abandon the application. When the undersigned attorney questioned the status of the application in view of the foregoing, the personnel indicated he would check into the matter.

Please respond to the undersigned attorney.

No fee is believed due with this filing.

Respectfully yours,

A handwritten signature in black ink, appearing to read 'Gavin J. Milczarek-Desai', written in a cursive style.
